A Little Humor

Here in Kentucky, you don't see too many people hang-gliding. Ol' Zeek decided to save up and get a hang-glider. He takes it to the highest mountain, and after struggling to the top, he gets ready to take flight. He takes off running and reaches the edge... into the wind he goes! Meanwhile, Maw and Paw Hicks were sittin' on the porch swing talking 'bout the good ol days when Maw spots the biggest bird she ever seen! "Look at the size of that bird, Paw," she exclaims! Paw raises up, "Git my gun Maw." She runs into the house, brings out his pump shotgun. He takes careful aim.

BANG... BANG... BANG... BANG! The monster size bird continues to sail silently over the treetops. "I think ya missed him Paw," she says.

"Yeah he replies, "but at least he let go of ol' Zeek!"
